

Stay Safe and Stay Open

With this free Sanitizing Supply Kit from King County and Business Health Trust

As our economy continues to open up, we want to ensure small business across our region have the supplies they need to keep their employees and customers healthy and safe this holiday season. King County and Business Health Trust have partnered to provide the following supplies at no cost to you:

- Hand Sanitizer Station with Refills
- Hand Sanitizer Pump Bottles
- Disinfecting Wipes
- Spray Disinfectant (rated by the EPA to kill COVID-19)
- Masks

More than insurance.
A resource.

At BHT, we help Washington's business community thrive by providing the high quality, affordable employee benefits, policy advocacy, and business resources companies need to be competitive. To learn more about our medical plans, ancillary insurance, and other business savings, visit www.businesshealthtrust.com.
