

Make the most of your benefits

Dental from Delta Dental and BHT

What's covered—highlights

Get care anywhere:
Delta Dental covers you nationwide.

If you get a cavity: composite (tooth colored) fillings are included at no additional cost with most plans.

Services are broken down into three tiers: when visiting a Preferred dentist you pay less for the most frequent and common services:

80–100%

Routine & prevention: Services that keep you and your teeth healthy such as cleanings, x-rays, and annual exams. Plus these services do not count towards your annual plan maximum.

70–90%

Common procedures: Services like fillings, root canals and additional exams.

50%

Major procedures: Major services such as crowns, bridges and dentures.

Where to start

Visit **deltadentalwa.com** where you can create your account, access your ID card, find out what is covered, how much you might pay out of pocket, and track all your dental benefit activity.
