

5 Reasons Why You Should Quote BHT

As an Association Health Plan, we help small businesses join together as a group to purchase insurance. That means:

1. We are in your corner.

Does your current insurance provider have your back? At BHT, we are your partner, advocate, and resource—offering you the tools you need to design and manage a competitive employee benefits program.

2. We offer exclusive health insurance plans from major carriers.

Our offerings give employers a choice of over 55 affordable medical plans from some of the largest and most respected carriers in the state.

3. We provide mental health care with all our plans.

We know the majority of employees want their employer to offer mental health resources. That is why we include a variety of mental and behavioral health benefits in all our plans.

4. We make administration easy.

We offer comprehensive plan administration including consolidated billing, online payment, and easy online enrollment, so you can focus on what's important: your business.

5. We are always adding value.

As a BHT member, you have access to a variety of savings and discounts including a free HR & safety hotline, discounted ORCA passes, IT support, and a free Passport Corporate membership.
